**NOTE: All contracts for electronic light bars for law enforcement, EMS, and fire departments and associated safety emergency equipment expired June 21, 2014. The Department of Public Safety will be conducting testing of interested manufacturers' products to establish an updated Qualified Products List (QPL). Upon completion of the testing and compilation of the QPL, the State Procurement Office will solicit and award new contracts. Our goal is to have new contracts in place by the end of this year or the beginning of 2015. It will be necessary for each governmental entity to acquire its needs for this commodity per the Procurement Code and associated Regulations until new contracts are awarded.**

**ELECTRONIC LIGHT BARS FOR LAW ENFORCEMENT,
